I am recommending them everywhere. The druggists of Aberdeen, Hecla and Britton, Marshall counties, all promised me to get them and keep them in stock. I give your address to every sufferer I meet. I am going to Colorado in June, and I shall do you good there among the miners, nearly all of whom suffer from headaches in the high altitude. Yours, etc.

WHAT'S THE MATTER WITH IT?

If you think there's anything the matter with your watch, let us take a look at it. Don't let it go on ticking itself to destruction. A few particles of dust will, in a week do more damage than the ordinary wear and tear of a whole year of keeping time. Any watch is well worth taking care of; the more your watch is worth, the better worth taking care of it is. Of that kind of thing, we make a specialty, and, if our charges are not moderate, there isn't any such word as moderation in the dictionary, unabridged or otherwise. Have you seen our Bargains in Watches? Thomas' Jewelry Store, successor to Sands & Thomas.

Rapid Progress of Science.

In the flight of time how little value we often attach to sixty seconds. But to think how many great discoveries have been made in less than sixty seconds. How often we hear the regretful and times pathetic remark, "If it had been only sixty seconds longer." Sixty seconds often makes a great difference. A sixty second remedy for bronchitis, choking up of the lungs, throat, etc., of course is a great blessing. Cubeb Cough cure is such a remedy and costs only 25 and 50 cents a bottle, containing nearly as much in value as the dollar bottle of other kinds. Can be had of any druggist.

Angevine & Novinger have 3 16-inch, 2 14-inch and 1 12-inch breaking plows left, which they will sell very cheap. These plows are the best and are all guaranteed.

Has Never Been Disappointed.

The above words speak volumes and cannot be said of many things but coming from one who has been a sufferer for many years no further tribute can be added:

GENTLEMAN:—I have been a sufferer from headache for many years and can cheerfully recommend Kraus' Headache Capsules as being the only preparation that has given almost instant relief. Have been using them for about six months and have never yet been disappointed in them.
